# Moulding

**Heph offer wide range of timber moulding products to suit any architectural design. Our moulding products manufactured either in clear timber Meranti or radiata pine species utilized modern finger jointed process. Our timber mouldings products can be coated in multi-layer water base and acrylic white primer for time and cost saving during installation.**

**The moulding products are good for skirting, decorative wall trim, Quad cover strip and architraves to make elegant looking for the house.**
